The Legends Golf Club at Temeku Hills

When Dr. Tim Somerville founded the Professional Golfers Career College in 1990, owning a golf course was on the long list of things to do, and over the last two decades, one by one, that list has gotten shorter. Dr. Somerville and PGCC are now the proud owners of The Legends Golf Club at Temeku Hills.

The 6,600-yard course is a classic, designed by Ted Robinson; it features five lakes and numerous doglegs that challenge every golfer, and every PGCC student. At The Legends Golf Club at Temeku Hills students will get “hands-on work in every capacity” so when they graduate with their 2-year degree in Professional Golf Management, in
addition to learning the basics in class, they’ll have practical experience.

Our students give free lessons to the community as part of their Techniques of Golf Teaching IV course; their Turf Management classes will be held there. The Legends Golf Club is listed as an auxiliary classroom.

The Legends Golf Club is located at:
41687 Temeku Drive
Temecula, CA  92591
(951) 694-9998

Usual Class Size

The usual class size of an incoming class is about 30 students.

STUDENT SERVICES

Advisory Program
During enrollment at the College, students have conferences each semester with one of the directors. At these conferences, career plans, academic concerns, and personal matters can be discussed in confidence.

During the last semester the students attend, they are assigned to the Placement Director for career placement assistance. All directors are available to students during office hours. Students can make appointments in the administration office.

Drugs and Alcohol Abuse Prevention Program
To prevent drug and alcohol abuse, PGCC prohibits the unlawful possession, use, or distribution of drugs and alcohol including but not limited to recreational drugs and any form of marijuana by students and employees on school property, or as part of the school's activities. The legal sanctions for the unlawful possession, use, or distribution of illicit drugs and alcohol include criminal prosecution, the payment of court fines or incarceration.

Admissions Counseling
The College seeks to enroll only those students who can be served by its specialized program. Students who can be best served by another college will be advised to enroll elsewhere.

Every effort will be made to help the student before and after enrollment by the administration of the College. The College follows a strict nondiscrimination policy in the admission of students.

Academic Counseling
Academic counseling is a continuous process of helping students experience success. At the Professional Golfers Career College, the directors and the faculty are available throughout the school year to help students reach their career goals.

Career Counseling
Career counseling and planning is offered as a part of the total experience for the student. From job-seeking skills, to resume preparation, to the interview, instruction is provided as students are assisted in making favorable career decisions.

Drug and Alcohol Counseling
The College strives to maintain a drug-free environment for its students. A list of counseling centers is available to students seeking guidance for drug-related concerns. The Student Handbook details college regulations concerning drugs and alcohol.

Drug and Alcohol Abuse Prevention Program
Serious health risks are associated with the illicit use of drugs and alcohol, including the risks of dependency, injury and death. Consumption of alcoholic beverages impairs one's ability to drive a car or operate machinery and may cause health problems. According to the U.S. Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risks of birth defects. In addition, the school will impose sanctions on students (consistent with local, state and federal law), up to and including expulsion from school or mandatory participation in a substance abuse program, and referral for prosecution, for violation of this policy.

Students may seek drug counseling from the professional staff at the Hill Solutions Counseling Center. Student contact with the Counseling Center is confidential. Students may contact the Counseling Center at Hill Alcohol and Drug Treatment by phoning 951-303-1230.

Housing
PGCC does not have dormitory facilities and has no responsibility to find or assist with finding student housing. Professional Golfers Career College refers students to local housing providers, allowing our students to have an array of options for housing, on a first-come, first-served basis. The apartments rented are fully furnished, and non-smoking, from local apartment communities, and are leased to students on a double-occupancy basis for approximately $900.00 a month per student. For those that wish to take part in this housing program, the providers take an active role in
helping to suitably match PGCC student roommates.

**Identification Cards**

Identification cards are required for all students. Photos are taken during new student orientation. New valid ID stickers are made each semester and distributed at the beginning of each semester. Should an ID card be lost or destroyed, its replacement will cost $5.00. ID's are necessary to be able to play golf at all of the courses at which the College has privileges.

**New Student Orientation**

Orientation is held before the first day of class each semester. All new students are required to attend. Orientation activities include meeting the directors and faculty; going over the student handbook covering rules and regulations, dress code, and ID cards.

**Library**

The College Library has resource materials that include books related to all the academic classes, plus golf-related material. The College also provides, to all students, access to an electronic on-line library: Library Information Resource Network (L.I.R.N.). Students can gain access to L.I.R.N. on any internet-accessible computer located in the computer lab.

**Championship Golf Courses**

The Professional Golfers Career College has many championship golf courses available nearby for students, in addition to a driving range. Golf training at the fine golf courses in Temecula and elsewhere in Riverside County, California, couldn't be better.

**The Legends Golf Club at Temeku Hills**

Located very close to the campus is The Golf Club at Rancho California. This championship club plays 7,100 yards from the back tees. Golf Magazine ranked this course as one of the top 50 public courses in the country. The Southern California PGA and Golden State Tour have both played many championship tournaments on this great course.

Our students also play at the Temecula Creek Inn, which is one of the finest resort courses in Southern California. This outstanding course has 27 challenging holes and is the site of the Temecula Creek Open, which has attracted top mini-tour players from throughout the country. It is also the site of many of the Golden State Tour Championships. This beautiful resort is only a ten-minute drive from our campus.

Another outstanding course for our students is Menifee Lakes Country Club. This 27-hole course has a great layout with plenty of water that comes into play, making it very challenging for our students. This premier course is only a fifteen-minute drive from our campus.

Other fine golf courses where students play include Pala Mesa, RedHawk, and Cross Creek.

Career Placement Services

At the Professional Golfers Career College placement of our graduates is one of our main goals. The College cannot promise or guarantee employment or level of income to any student or graduate.

PGCC helps students to prepare for the job search by providing assistance in:

1. Reviewing a student's resume
2. Counseling for a career choice in the golf industry
3. Providing job leads
4. Helping the student in interviewing techniques

The success of the College's placement efforts will be influenced to a great extent by the attendance, attitude, and academic record of the student. The placement office will do everything possible to help our students understand the placement process.

Private Educational Loans: $9,177

The median loan debt is calculated based on students who graduated between January 1, 2016 and December 31, 2016. An individual's loan debt will vary based on individual factors such as a student's decision to pay for the program from sources other than student loans or to borrow more than is needed to pay the direct costs of education, course failures, and program changes. Private educational loan data are based only on information reported to the College.

ATTENDANCE POLICY
Regular attendance is essential for academic progress and success in your golf career. Absences may jeopardize a student’s ability to complete their program in a timely manner. All students are encouraged to complete the specified hours for the program by the end of each week. If a student is unable to attend, or leaves campus early on a given day(s), they should contact their instructor or their class coach. Students are encouraged to make up missed attendance. The instructor will assist in creating a makeup plan. Attendance is checked on a weekly basis and the instructor will assist in making the decision.
PGCC encourages 100% attendance and requires 80% attendance for graduation. Any student who has an unexcused absence of fourteen (14) consecutive days will be automatically withdrawn. Instructors turn in absence sheets the first 15 minutes of each class. This data is kept on the computers in the Administration Offices and are tracked on a weekly basis and attendance reports are generated.
Students are expected to call the campus if they are unable to attend classes for the day. At any time during the program a student will be placed on warning status and can result in probation status for violation of attendance.
Attendance violation is, including but not limited to:
• Over 20% absenteeism
• Leaving the campus early without letting their class coach know.
If a student is in violation of Attendance, they will be placed on warning status. Failure to successfully return to good standing from warning will lead to probation. Failure to successfully return to good standing following probation will lead to program termination.
TARDY POLICY. Being late for class equals an absence. Low attendance can result in warning or probation status or termination from the program as stated above.
EARLY DEPARTURE POLICY.
Any student missing 20% or more of the scheduled class time will be marked absent.
Clock Hours
There are 50 minutes in each clock hour.

Complaint or Grievance Procedures
Students experiencing problems with any teacher or administrative personnel should first try to resolve the problem directly. Should there still be difficulties, the student is requested to make an appointment with the Dean of Students so that any complaint may be registered, and solutions discussed. If further action is required, refer to the grievance procedure.

Grievance Policy
It is important for every student, staff and faculty to know the correct procedure for resolving any problems they may encounter. The following is an outline of the procedures to be followed.

Any grievance must be first addressed to the person or department with whom the disagreement originally occurred.

If a resolution is not achieved, a formal written statement must then be submitted to the Dean of Students. A meeting will be held with the disagreeing parties and the Dean of Students.

If the grievance is not satisfactorily resolved with the Dean of Students, a written statement must be forwarded to the President of the College. Upon reviewing the facts presented by the students, faculty or staff, the President will render a decision. All decisions made by the President are final.

Students wishing further assistance may direct concerns to ACCET, please see page 41 for the ACCET Complaint procedure.

Conduct
A student whose conduct reflects unfavorably on the orderly operation of the College will be dismissed.

Units of Credit
The unit of credit used at PGCC is a semester unit of credit. A unit of academic credit is related to the amount of work accomplished. 15 theory hours equal one unit of credit. 30 laboratory hours equal one unit of credit.
Degree
Graduates of the Professional Golfers Career College receive a Specialized Associate Degree in Professional Golf Management. Students must complete all work with at least a 2.0 grade point average and be in attendance for at least 80% of the total course hours.

Final Examinations
No student shall be excused from final examinations. Instructors will give the exams at the time regularly scheduled. Any student who finds it impossible to take a final exam at the scheduled time must request permission from the instructor and the administration to take it at a different time.

Full Time
A full-time student maintains a minimum of 12 credit hours and will complete a minimum of 24 credits in an academic year.

Grade (Progress) Reports
Grade reports are issued at the end of each semester. Students will pick up their grade reports at the administrative office. Transcripts are kept permanently by the College.

Graduation
Students must pass all classes in Professional Golf Management (18 credits), Physical Education (19 credits), and Science (4 credits). A student must also complete 27 of the 31 credits in Business, Psychology, Art, English and Data Processing. A student must also have a 2.0 GPA to graduate.

Students must also have no less than 80% cumulative attendance. All financial obligations must be met.

Guidance and Assistance
Professional Golfers Career College will assist any student, upon request, with academic problems. Guidance may be scheduled with individual teachers, or a director and a record of guidance is maintained.

Mitigating Circumstances
The President of the College may grant a leave of absence for circumstances of sickness, family emergency and other crisis that may affect a student's life. These circumstances must be documented by the student. The student fills out the Mitigating Circumstances form listing the reasons why the student should be granted a leave of absence. The form is then reviewed by the College President and a decision is made after reviewing the reasons why the student needs a leave of absence. The student is then notified of the President's decision.

Leave of Absence
Leaves up to 60 calendar days will be granted to students who find it absolutely necessary to interrupt their training for personal reasons. A request for a leave must be in writing to the Dean of Students. Students will be readmitted at the next available start date.

Only one leave of absence will be granted per academic year. The standards of satisfactory progress will not be affected during an approved leave of absence.

Length of Program
The College is on a two semester per academic year schedule but offers three semesters (tri-semesters) per calendar year. The program requires four (4) semesters and can be completed in 16 months.

Make Up Work
Students are responsible for all work missed by absence. Requests for make-up are made with the instructor in charge, and the instructor will document this make-up work. The student will have 14 business days to make-up any missed work.

Termination

Students may be terminated for excessive absences and/or tardies, rude and disruptive behavior, or failure to follow the rules and regulations of the Professional Golfers Career College as published herein and in the Student Handbook.
Satisfactory Academic Progress

The institution’s program Professional Golf Management is 72 credits, divided into four terms. At the mid-point and end of each term all students are evaluated for satisfactory academic progress.

Quantitative progress is defined as the credit hours achieved divided by the credit hours attempted. To be making satisfactory academic progress, a student must have successfully completed at least 75% credits attempted at each interval of evaluation.

The student’s cumulative grade point average is reviewed to determine qualitative progress. The minimum GPA required is 2.0.

Grades of "F" and "I" are counted as hours attempted but not achieved and have a 0.00 value toward the GPA. Repetitions of course work are counted as hours attempted. The lowest grade will be dropped, and the highest grade will be used to calculate the GPA.

Course work repeated may adversely affect a student's academic progress in terms of the maximum time frame, which is 150% of the published length of the program.

Students who withdraw from the program will receive a grade of “W”, which has no impact on the GPA. The credit hours for the courses are counted as attempted but not achieved.

Academic Warning

If a student fails to maintain the required academic progress at the end of any term, he/she will be placed on Academic Warning for the next term. The student must attain the required GPA and/or number of achieved credit hours during the warning period or he/she will no longer be eligible for financial aid and may be dismissed from school. The student is eligible for financial aid during his/her warning status.

Appeal Process

Any student not attaining the required GPA or achieved hours during the warning period will receive a written dismissal notice, sent by certified mail. The student may submit a written appeal of his/her dismissal within five calendar days of receipt of the dismissal notice.

The appeal should be addressed to the President of the College. The appeal must be accompanied by documentation of the mitigating circumstances that have prevented the student from attaining satisfactory academic progress and evidence that changes have occurred to allow the student to now meet standards of satisfactory academic progress.

Only extraordinary circumstances will be considered, such as death or severe illness in the immediate family. Before an appeal may be granted, a written academic plan must be provided the student which clearly identifies a viable plan for the student to successfully complete the program within the maximum timeframe allowed.

The Appeals Committee, composed of the President, the Director of Operations, and the Director of Financial Aid, will examine all appeals. The student will be sent the committee's written decision within five days of the President’s receipt of the appeal. The decision of the committee is final.

Students reinstated upon appeal are on a probationary status for the next term, during which time they must meet the terms and conditions set out in the committee’s letter granting the appeal. At the end of term, and at the end of every term thereafter, the student’s academic status will be reviewed. The student may continue on probation as long as he or she meets the terms of the academic plan approved at the time the student’s appeal was granted, until such time as satisfactory academic progress status is regained.
Maximum Time Frame

All program requirements must be completed within a maximum time frame of 1.5 times the normal program length, as measured in attempted credit hours. The program, 72 credits in length, must be completed within 108 attempted credits.

Students exceeding the maximum time frame are no longer eligible to receive financial aid.

Transfer and Readmitted Students

Transfer students from outside the institution will be evaluated qualitatively only on the work completed while at this school.

The quantitative requirement remains 70% for all students, but the maximum time frame is based on the number of credits the student must complete in the current program. If the student transfers in 16 credits, and therefore must complete 56 credits in the current program at PGCC, the maximum time frame.

Incomplete Grades

Students earning an incomplete ("I") grade in any class will have one (1) semester to make up the incomplete. If the incomplete is not made up in the allotted time, then the incomplete will turn into an "F" for the class. The student must see the instructor in charge of the class for information on making up the incomplete.

Transfer Credits

The College will accept credits for work done at other postsecondary institutions. A "C" or higher grade must be made for credit to be transferred and the course must have relevance to a course offered at the Professional Golfers Career College. Students must submit an official transcript and catalog to the Administrative Office in order for transfer credit to be considered. Students may earn no more than 20% of the credit required for graduation using transfer credit.

“NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION”

The transferability of credits you earn at the Professional Golfers Career College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree you earn, in Professional Golf Management is also at the complete discretion of the institution to which you may seek to transfer.

If the credits or degree that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending the Professional Golfers Career College to determine if your credits or degree will transfer.
Prior Experiential Learning

It is the policy of PGCC to have students that are interested in having prior experiential learning evaluated for possible award of college credit to submit a written report recounting their experience and how that experience demonstrates learning at the College level, the learning experience demonstrates a balance between theory and practice, and the prior learning experience directly relates to the student’s degree program. A recommendation for granting of credit will be attached and forwarded for review by the College President. No more than 15 semester credits may be awarded for prior experiential learning. There is no charge for the evaluation of prior experiential Learning.

In the case of a disagreement over the awarding of credit or the number of credits to be awarded, the student may submit a written appeal within five calendar days of receipt of determination notice.

The appeal should be addressed to the President of the College. The Appeals Committee, composed of the President, the Director of Operations, and the Director of Financial Aid, will examine all appeals. The student will be sent the committee's written decision within five days of the President’s receipt of the appeal. The decision of the committee is final.

Withdrawal

Students who wish to withdraw from the College must do so through the Admissions office, by mail or in person.

Student Interaction/Study Groups

Students are encouraged to participate in ad hoc study groups for joint study and research. During orientation and the first day of classes for each course, the instructor will encourage students to form study groups.

VETERAN’S POLICIES

Prior Credit Evaluation

Students receiving veteran’s benefits must have all prior education and training evaluated upon enrollment. Credit will be awarded where applicable with the program being shortened accordingly. The student and the Department of Veteran Affairs will be notified.

Satisfactory Progress

Students receiving veteran’s benefits will be monitored for satisfactory progress at the mid-point and end of each 15-week semester. If the student's overall GPA falls below 2.0, he or she will be placed on probation for the following semester. If the student fails to achieve a GPA of 2.0 or above by the end of the probation period, veteran’s benefits will be interrupted, and the Department of Veteran Affairs will be notified.

Tuition Assistance Policy (Unearned TA Funds)

It is the policy of PGCC to return any unearned TA funds on a proportional basis through at least the 60 percent portion of the period for which the funds were provided. TA funds are earned proportionally during an enrollment period, with unearned funds returned based upon when a student stops attending. In instances when a Service member stops attending due to a military service obligation, the College will work with the service member to identify solutions that will not result in a student debt for the returned portion.
STUDENT’S RIGHTS

Appeals
A student who is not making SAP and who believes that there are mitigating or extenuating circumstances that led to the failure to maintain satisfactory progress may appeal by written request to the President/Executive Director for a review of the situation. Mitigating circumstances may include injury or illness, the death of a relative, or other special circumstances. The written appeal should be submitted to the President/Executive Director within 5 business days after notification. The appeal should be accompanied by supporting documentation regarding why the student failed and what changed in the student’s situation that will allow him/her to make SAP at the next evaluation. The appeal process will also consider if the student will meet SAP standards after the subsequent semester. The President/Executive Director shall conduct the review. Should the appeal be granted, the student will receive one additional semester in which to regain SAP. If at the end of that period the student is still not making SAP, the student will be dismissed. Any decision resulting from the review of a mitigating circumstances appeal is final and may not be further appealed. The result of the appeal (approved or denied) will be provided to the student in writing and cataloged in the Student Information System.

When the College grants a student’s appeal for unusual and/or mitigating circumstances, it is not eliminating or disregarding any grades or credits attempted in the calculation of a student’s SAP standing. The student’s credits attempted, CGPA, and SAP standing will remain the same.

When an appeal is granted, the College is acknowledging that, because of the specified unusual circumstances, the student will continue to receive FSA for which he or she is otherwise eligible even though he or she falls below the published SAP standard in the Probation status.

Records Retention
It is the policy of PGCC for student records to be maintained for five years. Transcripts are maintained permanently. All student records and student transcripts are kept in the administrative office.

Students who wish to view the contents of their student records must make a written request to the Executive Administrator. The Executive Administrator will meet with the student during normal business hours, at a time set by the Executive Administrator, and in the Executive Administrator’s office. The original records may not leave the Executive Administrator’s office. The Executive Administrator must comply with the student's request within fifteen working days.

The campus is authorized under the FERPA Act to release "directory information" concerning students. Currently, in response to a specific inquiry, the Administration Office releases the following: name, address and telephone number, place and date of birth, field of study, dates of attendance, and degrees and awards received. The above-designated information is subject to release by the campus at any time unless the campus has received prior objection from the student specifying information that the student requests not be released.

Refusal to Provide Copies
While the student retains the right to inspect his or her records, Professional Golfers Career College may deny copies of records, including transcripts, in the following situation: The student has an unpaid financial obligation to the College.

Fees for Copies of Records
With the exception of academic transcripts, which are covered by executive order, the fee for copies will be 25 cents ($ .25) per page.
Copyright Infringement

It is illegal to download and/or share copyrighted material without permission of the owner. Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For "willful" infringement, a court may award up to $150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense.

Peer-to-Peer File Sharing

It is illegal to download and/or share copyrighted material without permission of the owner. This may include, but is not limited to, mp3’s, video, and picture files. If a complaint is received due to copyright violation, your network access may be shut off and disciplinary actions may be taken. If you need assistance with this, please contact the IT Department.

Termination

Students may be terminated for excessive absences and/or tardies, rude and disruptive behavior, or failure to follow the rules and regulations of the Professional Golfers Career College as published herein and in the student handbook.

Anti-Hazing Policy

PGCC will not permit any activity considered hazing. Any student found involved in any form of this type of activity will be terminated from the College.
CURRICULUM

Courses are numbered to indicate the level of the course in relation to other courses. The numbering of a course should not be taken as a strict indicator of the rigor of the course. All course prerequisites are listed under the "Course Descriptions" section of this catalog. With the exception of the Tournament Golf class, the courses taken in the first two semesters are 100 numbered classes, and the classes taken in the third and fourth semester are 200 numbered classes.

Student Tuition Recovery Fund

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school.

Questions regarding the STRF may be directed to the: Bureau for Private Postsecondary Education 2535 Capitol Oaks Drive, Suite 400 Sacramento, CA 95833 (916) 431-6959 or (888) 370-7589

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to do so.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery, if it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.
Professional Golfers Career College participates in the following financial aid programs for those students who qualify:

**Federal Pell Grants**

- Must demonstrate financial need.
- Free money—does not need to be repaid.
- If the EFC (Expected Family Contribution) is 5235 or less the student may be eligible to receive a Pell Grant assuming all other eligibility requirements have been met.
- The maximum award is $5,815 for the 18/19 financial aid year.
- Pell disbursements are made at the beginning and midpoint of the academic year, or at the beginning of each academic term. Students whose programs are longer than one academic year may be eligible for an additional portion of a Pell Grant.

**DIRECT LOANS**

**Subsidized:**

- Subsidized Stafford Loan - 5.05% interest rate.
- Must demonstrate financial need.
- A six-month grace period after graduation or termination before the student begins repayment. You will not be charged interest before you begin repayment or during authorized periods of deferment.

**Unsubsidized:**

- Unsubsidized Stafford Loan – 5.05% interest rate.
- Repayment begins 6 months after the student's last day of attendance.
- You will be charged interest from the time the loan is disbursed until it is paid in full.

If you're a dependent undergraduate student, you can borrow up to:

- $5,500 if you're a first-year student enrolled full time.

- $6,500 if you've completed your first year of study and the remainder of your program is at least a full academic year.

If you're an independent undergraduate student or a dependent student whose parents are unable to get a plus loan you can borrow up to:

- $9,500 if you're a first-year student enrolled in a program of study that is at least a full academic year (only $3,500 of this amount is subsidized).
- $10,500 if you've completed your first year (only $4,500 of this amount may be subsidized).

These amounts are the maximum yearly amounts you can borrow in both subsidized and unsubsidized loans. You may receive less than these yearly maximum amounts if you receive other financial aid that is used to cover a portion of your cost of attendance.

**Plus Loans**

Plus Loans are limited to the student's parents with no adverse credit history. The annual loan limit is the cost of education minus other aid. 7.6% interest rate.

**Applying for Aid**

- **Pell Grants** - the student completes the Free Application for Federal Student Aid (FAFSA) on-line at www.fafsa.ed.gov. Our school code is 033673.
- **Stafford Loans** - Student may complete the Stafford Loan Master Promissory Note (MPN) and Entrance Loan Counseling online at www.studentloans.gov.
- **Plus Loans** - parents may complete the Plus Loan Master Promissory Note (MPN) online at www.studentloans.gov.
Awarding of Aid

Pell Grants
A distinguished feature of the Pell Grant Program is its control concept of "entitlement" which guarantees that a student who demonstrates need will receive a grant based on that need and on the cost of education at the school they choose to attend. The PELL Grant is similar to a "gift", in the sense that it does NOT have to be repaid.

Subsidized and Unsubsidized Stafford Loans
The Subsidized Stafford Loan Program enables students to borrow money from eligible lenders at a low interest rate to meet educational expenses. To qualify for a subsidized Stafford Loan, a student must have financial need. Lenders may choose to whom they lend, within Stafford Loan eligibility guidelines. As a first-year undergraduate you may borrow up to $3,500 a year in a Subsidized Stafford Loan. However, you cannot borrow more than the cost of attendance at your school less any other financial aid you may receive.

Basically, a student's need for a subsidized Stafford Loan is his or her cost of attendance (COA) minus his or her Expected Family Contribution (EFC) minus his or her estimated financial assistance (EFA). This loan must be repaid by the student. A subsidized student loan is one that qualifies for an interest subsidy during in-school status, grace periods, and authorized deferment periods.

An unsubsidized student loan does not qualify for an interest subsidy. A borrower unable to qualify for a need-based Stafford Loan may apply for an Unsubsidized Stafford Loan. As a first-year undergraduate you may borrow up to $4,000 a year in an Unsubsidized Stafford Loan. Also, a student able to qualify for only a part of his or her subsidized Stafford Loan limit may apply for an Unsubsidized Stafford Loan to cover the difference between his or her loan limit and the subsidized amount for which he or she is eligible.

Plus Loans
Parent Loans for Undergraduate Students or PLUS Loans are educational loans that must be repaid. Parents of dependent students can receive a PLUS Loan. Parents of dependent students may borrow up to the cost of education minus other Financial Aid per academic year for a child enrolled at least half-time. The interest rate is variable and can change once a year.

General Eligibility
- You are enrolled at least half time (12 hours per week) (except for Pell).
- You are a U.S. Citizen or eligible non-citizen.
- You show that you have need. (Need is the difference between the cost of education and the amount you or your family can afford to pay. Need is determined by the information that is supplied on the FAFSA).
- You are making satisfactory progress towards completing your course of studies. (Please review the Satisfactory Progress Statement).
- You are not in default of an NDSL, Stafford Loan, or a PLUS/SLS Loan.
- You do not owe a refund on a Pell Grant or SEOG at any school.

Frequency of Payments for Pell Grants & Stafford Loans
The Pell Grant and Stafford Loans will be disbursed in 2 (two) equal payments. The first half will be disbursed at the beginning of the course. The second half will be disbursed at the beginning of your second semester as long as the student is making Satisfactory Progress. The money will be electronically transferred and will be credited to the students account. Any money remaining will be forwarded to the student in the form of a check within 14 business days.

Repayment Obligation
If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received student financial aid funds, the student is entitled to a refund of the moneys not paid from student financial aid program funds.
Title IV Return Policy

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Pell Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), Federal Perkins Loans and in some cases, certain state grant aid (LEAP/SLEAP), GEAR UP grants, and SSS grants to students.

When you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, you may choose to decline the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement (including loan funds, if you accept them) for tuition, fees, and room and board charges (as contracted with the school). For all other school charges, the school needs your permission to use the post-withdrawal disbursement. If you do not give your permission (which some schools ask for when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If a student earned more aid than was disbursed to him/her, the institution would owe the student a post-withdrawal disbursement. From the date the institution determined the student withdrew, grant funds must be paid within 45 days and loan funds must be paid within 180 days.

Return of Unearned Aid is allocated in the following order:

1. Unsubsidized Stafford Loan
2. Subsidized Stafford Loan
3. Parent (Plus) Loan
4. Federal Pell Grant
5. Other Title IV Assistance

There are some Title IV funds that you were scheduled to receive that you cannot earn once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not earn any Direct Loan funds that you would have received had you remained enrolled past the 30th day.

Title IV Future Professionals reentering within 180 days of withdrawal date will resume at the same status as prior to withdrawal.

If you receive (or your school or parent receives on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

The school must return this amount even if it did not keep this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.
Any amount of unearned grant funds that you must return is called an overpayment. The amount of a grant overpayment that you must repay is half of the received amount. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return. If you don't already know what your school's refund policy is, you can ask your school for a copy. Your school can also provide you with the requirements and procedures for officially withdrawing from school.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAI (1-800-433-3243). TTY users may call 1-800-730-8913.

Information is also available on Student Aid on the Web at www.studentloans.gov.

Note that ACCET will process complaints which involve ACCET standards and policies and, therefore, are within the scope of the accrediting agency.

In the event that a student has exercised the institution's formal student complaint procedure, and the problems or issues have not been resolved, the student has the right and is encouraged to take the following steps:

1. Complaints should be submitted in writing (by email or mail) to the ACCET office. Complaints received by phone will be documented, but the complainant will be requested to submit the complaint in writing.

2. The letter of complaint must contain the following information:
   a) Name and location of the ACCET institution;
   b) A detailed description of the alleged problem(s);
   c) The approximate date(s) that the problem(s) occurred;
   d) The names and titles/positions of all individual(s) involved in the problem(s), including faculty, staff, and/or other students;
   e) What was previously done to resolve the complaint, along with evidence demonstrating that the institution's complaint procedure was followed prior to contacting ACCET;
   f) The name, email address, telephone number, and mailing address of the complainant. If the complainant specifically requests that anonymity be maintained, ACCET will not reveal his or her name to the institution involved; and
   g) The status of the complainant with the institution (e.g. current student, former student, etc.).

1. In addition to the letter of complaint, copies of any relevant supporting documentation should be forwarded to ACCET (e.g. student’s enrollment agreement, syllabus or course outline, correspondence between the student and the institution).

4. SEND TO: ACCET
